INT. HAUNTED HOUSE - NIGHT

WILLOW and HARPER are searching through the local HAUNTED HOUSE on a Sunday night, in search for a MYTHICAL item: the CURSED AMULET.

WILLOW
(angrily)
Where the hell is it!!!????

Harper is searching through a dusty old box and looks up at Willow with a fearful side eye.

HARPER
(laughs uncomfortably)
I know right, where is it?

Willow sees movement outside the window and abruptly stops

WILLOW
(quietly)
Hush! here's someone here, get
down!

Willow SLAMS herself into the floor with great FORCE and commitment. She looks up at Harper with a deranged but confident look in her eye

WILLOW (CONT'D)
(annoyed)
Won't you get down??

Harper kneels to the floor and lays down next to Willow silently and uncomfortably. A police car siren wails and the lights start to blare. Harper digs her hands into the floor and completely flattens herself. The two girls hear shuffling and a man screaming outside and Willow sneaks to look out the window, Harper behind her. They see a policeman approaching a man.

DRUNK MAN
(drunkenly)
I didn't do anything, it weren't me
it was the eurrrrr-

The man sees Willow and Harper peeking through the window and the man points at them

DRUNK MAN (CONT'D)
It were them, over there, it was
them, im tellin' ya!

Willow and Harper duck just before the policeman looks at where the man is pointing

POLICEMAN

(huffed)

There's nobody there, you cant fool
me, come on lets get you out

The man starts to scream unintelligibly again

DRUNK MAN

(screaming)

It wasn't meeee, i dont deserve
this!!

The police car sirens start again and the police car drives
off. Only when the sirens are almost silent do Willow and
Harper come out of hiding.

HARPER

(hesitantly)

What was that guy talking about?

WILLOW

(anxiously)

I don't know, but I know one thing:
we need to find the amulet before
someone else does. Back to my
house.

The two girls run out of the building in a hurry
